2008 JEFFERSON CO HORSE & PONY PROJECT – LESSON SCHEDULE

Each Monday Night Lesson will offer two groupings, Beginners & Intermediates. Because the lessons for the specific disciplines start with basic skills and become more difficult, the instructors ask that the members attend consecutive lessons if possible. Each lesson cost $3.00 per member. A copy of the 2008 COGGINS TEST MUST be turned in the first time your horse comes to a lesson.

Lessons begin at 7:00pm and each evening will conclude with both groups combined for an optional showmanship lesson.
